

Aggrecon Invitation

Aggrecon would like to extend an invitation to the community to do a walkthrough of the production area. MSHA regulations and safety concerns do not allow Aggrecon to be under production during this time, but the community will be able to view the quarry area, production area, and the proposed gravel pit area.

The visitation hours are **Saturday, November 3, 2018 from 8:00 am until 10:30 am.**
