COMPOST SITES—DROP OFF AREA

Both the Basswood Road and Woodland Drive Compost Sites are available for drop off of acceptable yard materials during the posted hours. Remove plastic bags and other unacceptable debris from the materials you drop off. Brush drop offs should be placed on the brush pile. Keeping your yard material drop offs clean and free of unacceptable items will help us create better compost products. When using the compost sites drive slow and watch for traffic. It is advisable to avoid using the compost sites during or after heavy rains since they can easily become rutted and slippery. Do not use the compost sites outside of the posted hours.

Accepted Items: Grass, leaves, flowers, plants, pumpkins, fruits, vegetables, garden waste, yard waste, brush, branches (not more than 6 inches in diameter or longer than 5 feet), clean woodchips, clean saw dust, and natural holiday trees.

Unacceptable Items: Stumps, ashes, animal waste, sod with soil, topsoil or dirt, rocks, gravel, lumber, garbage, large branches greater than 6 inches in diameter or longer than 5 feet.

Loads may be subject to inspection by Recycling Center staff. Illegal dumping is subject to fine per Manitowoc Code Section 6.17. Placing unaccepted items in an otherwise designated recycling container or pile is considered illegal dumping and is subject to fine. If you have questions about a particular material, call 683-4333 and ask.

BASSWOOD COMPOST SITE

3000 Basswood Rd, Manitowoc
Mon-Fri 7am-6pm
Sat 8am-6pm

WOODLAND COMPOST SITE

4191 Woodland Dr, Two Rivers
Mon-Fri 10am-6pm
Sat 8am-6pm

COMPOST PRODUCTS

Wood mulch and compost are available at the Recycling Center Main Office during the posted office hours. Purchases must be made before loading. Note that the office hours are different than the drop off site hours. Loading is generally available Monday through Friday from 7:30am to 3:30pm. Deliveries of 6 cubic yards/load can also be set up within Manitowoc County. Call 920-683-4333 for more info.

RECYCLING CENTER OFFICE

3000 Basswood Rd, Manitowoc
Mon-Fri 7am-4pm
Sat 8am-Noon

SCREENED COMPOST PRICES

- 1 bushel: \$3.00
- 1 cubic yard: \$15.00

Hazardous Waste Clean Sweep

Many common items like automotive products, household cleaners, pesticides, and home improvement products are hazardous when used, stored, or disposed of improperly. Look for items that contain the following on their labels: **Danger, Warning, Caution, Poison, Combustible, Flammable, Corrosive, and Toxic.**

Covid-19 Precautions:

- **Place all items in the trunk/rear of your vehicle. We will not unload items in your backseat.**
- **Totes and boxes will not be returned.**
- **Remain in your vehicle at all times.**
- **Use of a face covering is strongly encouraged.**
- **Don't attend if you're sick.**

**Manitowoc County Highway Shop
3500 HWY 310**

Residents

Saturday, **October 24**, 9am - Noon

Farms and Businesses

Friday, **October 23**, 2pm - 4pm

Pre-registration is required by October 15
Call 920-683-4333

Many cleansers, home improvement products, automotive products and pesticides can be dangerous when stored or disposed of improperly. They can contaminate the soil, water, and air when spilt or illegally dumped. Improperly stored items could be involved in accidental poisonings of children and pets. The Clean Sweep Program provides an opportunity to safely dispose of these materials for free and for eligible businesses to save on their disposal costs.

All of the collected items are properly recycled, neutralized or disposed of at special disposal sites or hazardous waste incinerators that render the materials harmless.

The Manitowoc County Clean Sweep is part of a regional partnership with Sheboygan and Fond du Lac County. It is possible partly through grant funding from the Wisconsin Department of Agriculture, Trade and Consumer Protection, a donation from the Ridgeview Landfill and volunteer labor.

REDUCTION IS YOUR FIRST CHOICE!

Before you buy:

- *Read the labels*
- *Choose safer alternatives*
- *Buy the smallest amount needed for the job*

After you buy:

- *Follow directions for safe use*
- *Store properly in the original container*
- *Share what you can't use*
- *Dispose of leftovers properly*

ACCEPTABLE ITEMS

- Pesticides and poisons
- Oil and lead based paints
- Wood preservatives
- Solvents
- Aerosols
- Cleansers and polishes
- Contaminated oil
- Antifreeze
- Gasoline
- Mercury and mercury containing devices

Disposal or recycling options exist for many unacceptable items. Contact the Manitowoc County Recycling Center at 920-683-4333 or visit

Manitowoccounty.com/recyclingcenter

UNACCEPTABLE

• **LATEX PAINT***

- Explosives such as ammunition
- Radioactive materials such as smoke detectors
- Compressed gas tanks such as fire extinguishers and propane tanks
- Unknown chemicals
- Tires
- Infectious and biological waste including sharps
- Light bulbs and batteries
- TVs and electronics
- Appliances
- Freon gases
- Pharmaceuticals

*Residents are encouraged to dispose of latex paint in their trash. Just take the lid off and let it dry or add paint hardener or cat litter. Once hard, latex paint can be disposed of in the trash.

GUIDELINES

- Household and farms may dispose of acceptable hazardous waste items at no cost.
- Participants must be residents of Manitowoc County.
- Wastes must be brought in the original containers. Keep materials separate. Do NOT mix chemicals.
- To prepare materials for transport, line a cardboard box with a plastic bag, place them in the box and separate with cardboard.
- Place items in your trunk or the back of your vehicle.
- Gas cans, totes, and other containers will not be returned.
- When arriving at the Clean Sweep site, slow down and follow traffic directions.
- Remain in your vehicle at all times.
- Do not come before or after the listed times.
- Farms and businesses must register by October 15, 2020. Call 920-683-4333.

Program Sponsors: Manitowoc County Solid Waste Dept., Wisconsin Department of Agriculture, Trade, and Consumer Protection (DATCP), Waste Management Inc., Ascend Services Inc., and Manitowoc County UW Extension.

COVID-19

COVID-19 PRECAUTIONS

All of our services have resumed but we are still concerned about the spread of Covid-19. Help us protect our staff and communities by doing the following:

- 1) Don't come if you're sick,
- 2) One customer in the office at a time, wait outside for your turn,
- 3) Use the hand sanitizer provided at the entrance, and
- 4) Consider wearing a face covering.

TIRE COLLECTION

The Manitowoc County Recycling Center tire collection will run from now through the end of October.

The Manitowoc County Tire Collection started in 1998 as a 2 week event. It has collected approximately 3.68 million pounds of waste tires. Waste tires can be reused in a number of beneficial ways. They can be shredded into rubber chips and used as artificial turf or as a groundcover in playgrounds. Tire rubber can be incorporated into asphalt roads, running tracks and used in other rubber products. Depending on what other materials are in the tires, they may also be used as tire derived fuel at permitted facilities.

The DNR estimates that Wisconsin produces 5 million waste tires per year. Tires have been banned from landfills since 1995 because they take up too much space and their bulky size makes them hard to keep buried. Unfortunately, tires have often been illegally dumped along roadways or in illegal stockpiles. Aside from looking like a mess this can cause problems. Water accumulated inside the tires becomes a breeding ground for mosquitoes. If tire piles catch fire they can release large amounts of pollutants into the air, water and soil.

For more information call the Recycling Center at 920-683-4333 or visit Manitowocounty.com/recyclingcenter.

Fees and Guidelines

- \$5.25—per car tire or smaller (5 tires or less)
- \$6.90—per standard truck tire (5 tires or less)
- 17 cents per pound (\$340 per ton) for:
 - Quantities of 6 or more tires
 - Semi tires
 - Tires on rims
- 22 cents per pound (\$440 per ton) for off road tires including:
 - Agricultural equipment tires
 - Mining equipment tires
 - Mixed loads containing off road tires
- Stop in the Recycling Center Main Office **before** dropping off tires.
- Cash or check only.
- Bring your waste tires to the Manitowoc County Recycling Center during normal office hours.
- Collection employees reserve the right to judge, based on tire size, and quantity, whether customer is charged on a per tire basis or by tire weight.
- Residents and businesses with dump truck load or larger quantities of tires must call the Recycling Center before coming.

Waste Tire Collection

Location & Hours:

3000 Basswood Road
Manitowoc

Monday—Friday
7am—4pm

Tires Accepted:

- Car
- Truck
- Semi
- Tractor
- Motorcycle
- ATV
- Bicycle

***Rubber products that are not tires are not accepted.**

KIEL DRUG DROP BOX

The Kiel Police Department has installed a drug drop box in the lobby located at 619 Paine Street, Kiel. This new drug drop box was installed to help make drug disposal more convenient for residents and more efficient for law enforcement. The new drop box is available Monday through Friday between 7:30am and 3pm. When using this drop box or any other drop box or disposal event in Manitowoc County, make sure to follow the directions listed below.

There are two reasons for the collection and proper disposal of medications. First, removing these drugs from your house can reduce the likelihood of family or guests using the prescriptions in a way that leads to addiction, continued use of illicit drugs, and accidental poisoning or overdoses. Second, these drugs should not be placed in the trash or flushed down the toilet since they cannot be removed by landfills, sewage treatment plants, or septic systems and are released into our water supplies.

Since 2006, Manitowoc County has offered annual programs for medication disposal. What started out as a one-day collection event in 2006 has now grown into five permanent drug drop boxes. Thanks to the efforts of program supporters and participating residents, approximately 17,385 pounds of pills, patches, powders, and liquids were collected since it started (not including the packaging).

This program is supported through the Manitowoc County Drug Disposal Collaborative, which includes Manitowoc County Sheriff's Office - Metro Drug Unit, Manitowoc County Public Works Department - Recycling Center, Kiel Police Department, Manitowoc County Aging and Disability Resource Center, Manitowoc County Public Health Department, Northeastern Wisconsin Area Health Education Center, Manitowoc City Police Department, and the Two Rivers Police Department.

DRUG DISPOSAL PROGRAM

Participants should remove pills from the original container and put them in a "ziplock" style bag that is quart size or smaller. Pills can be mixed in one bag. Bring the bag to a law enforcement drug drop box or drug disposal event. Recycle or dispose of the empty pill bottles and boxes at home. Liquids, creams, and powders stay in their original container with the caps tightened.

Guidelines:

- Accepted drugs include prescriptions, over the counter, pet medications, controlled substances, and supplements.
- Place pills in a "ziplock" style bag that is quart size or less. Liquids, cremes, and powders can stay in the original container with caps tightened.
- Pill bottles and boxes are NOT accepted. Cross out your personal information and dispose of them or recycle them at home.
- Needles, sharps, mercury devices, chemical waste, electronic glucose monitors, non-medical inhalers, and personal care products like shampoo and cosmetics will NOT be accepted.
- Do NOT bring medications to drug disposal events before or after the listed times.
- Households only. Businesses should call 683-4333 for disposal information.
- Practice safe storage by keeping medications in a secured location.
- Practice reduction by consulting with your physician about your medication needs.
- Never share your prescriptions with another person.

YES

NO

DRUG DISPOSAL EVENTS:

-**Tentative due to Covid-19** October 15: 8am-Noon, JE Hamilton House—Health Fair, 1520 17th Street, Two Rivers

PERMANENT DROP BOX LOCATIONS:

- Manitowoc Co. Sheriff's Office: 1025 South 9th St, 8am-3:30pm M-F
- Manitowoc City Police Dept: 910 Jay St, Manitowoc, 7:30am-4:30pm M-F

- Kiel Police Dept: 619 Paine St, Kiel, open 7:30a-3p M-F

RECYCLING DEPOT

The Manitowoc Recycling Center maintains a residential drop off area at the Recycling Center Main office located at 3000 Basswood Road. It is open Monday-Friday from 7am to 4pm, and Saturday from 8am to Noon. This site is intended for use by all county residents. There is no trash or garbage drop off at this location. Contact a local hauler or the Ridgeview Landfill for disposal of trash. Different municipal drop off sites may be more accessible to you depending on the city, township or village you are from.

General Drop Site Guidelines

- Place your recyclables in the bunker or receptacle labeled for that material.
- Remove any plastic bags or strings and take them home with you to place in your trash.
- Do not place nonacceptable items in the bunkers or receptacles.
- Do not place materials outside receptacles on the ground.
- Large loads of cardboard, paper or plastic can be placed on appropriate pile on the tipping floor.
- Use caution driving through the drop site and on the tipping floor.
- Due to Covid-19 please practice social distancing and other precautions at the recycling depot.

The recycling and compost areas are monitored for illegal dumping, littering, and other issues. Please follow all posted guidelines.

Paper

Includes newspapers, junk mail, magazines, computer paper, books with metal or plastic binding removed etc.. Paper should be clean and dry. No paper contaminated with food or oil. No paper coated with foil, plastic or heavy glue. No plastic/foil wrapping paper.

Plastic

Check for a neck. **We only accept #1 and #2 bottles and jars.** Remove the caps, rinse and flatten. No tub shaped containers or bottles that contained oil or pesticide (even if rinsed). No plastic wraps, films, bags, trays, pails, packaging peanuts, Styrofoam, or any other non bottle shaped item. Please do not tie milk jugs together or tie in plastic bags.

Glass Bottles

Any color glass bottle or jar can be recycled. Put into designated bunker. Remove lids or caps and rinse. No window glass, mirrors, light bulbs, clay, ceramics, drinking glasses or ovenware.

Cartons

Cartons include shelf stable and refrigerated containers for wine, milk, juice, cream, soy milk, soup, and egg substitutes. Drop off cartons with the plastic bottles. They should be emptied and flattened.

Cardboard

Should be clean and flattened. No soiled cardboard or cardboard coated with wax, tin, or plastic.

Cans

Tin, steel, and aluminum cans. Coated cans, foil, and pie tins are ok. Empty and rinse out food residue.
